

Andrii Okraichenko

Fullstack developer

I am a fullstack developer with solid experience in HTML, CSS, JavaScript, React, and Node.js, looking for a role where I can continue to grow and eventually move into a senior position. I have a strong track record of applying Scrum methodology in team environments and am known for my problem-solving abilities, eagerness to learn, and strong communication and social skills. Friends and colleagues consistently describe me as reliable and able to take initiative.
